

Transitioning Your Business From Public to Private

“It’s one small step for man, one giant leap for mankind.”

- NEIL ARMSTRONG

Step 1

Unregister with the State:

If you have an LLC S-Corp, you must first Revoke your S-Corp

Step 2

Once you have Revoked the S-Corp or if you have no S-Corp

Dissolve the Corporate Entity

Unregister, and tell the SOS that you are Dissolving the Corporation.

Most of this can be done online in Washington.

Step 3

If you are keeping the same Business Name:

Reconvey the Business to the Land & Soil Jurisdiction

Record a Certificate of Assumed Name with Your Business Name declared in it

If you are Creating a New Business:

Create it as a Private Family Business

Record a Certificate of Assumed Name with Your Business Name declared in it.

Business Deed of Reconveyance

Deed of Acknowledgement, Acceptance and Re-conveyance Without Consideration

On this 1st day of November in the year 2017 I have received and do accept my private unincorporated business Trade Name doing business as All Pets Go To Heaven and Heavenly Spa and do re-convey it to Lawful Jurisdiction and its native domicile on the soil and the land of Washington and do place this Deed upon the Land and Soil Jurisdiction of Washington.
